"NAME THE 74TH ANNUAL CONFERENCE"!

What an honor it is to serve as the League's President. I can remember attending my first ILMCT conference held at French Lick. Being my first conference, I was overwhelmed because I did not know anyone or where to go. It did not take long to make friends with other Clerks that end up lasting a lifetime. I remember watching the officers at the meetings and banquets thinking, that is quite an honor, not knowing that several years later, I, myself , would become an officer and be installed as President at French Lick (De Ja Vue).

I am so excited about the next year and all that is before us. We have so many opportunities to become the best we can be with all the educational classes that are available. We are fortunate enough to be a part of the International League of Clerks and Treasurers which oversee our education and certifications. Along with HR Resources, the League is able to provide a variety of classes to assist you as clerk or clerk-treasurer to serve your community better with the knowledge you receive. I hope that each of you are taking the opportunity to participate in these classes. If you have questions about the classes or certifications, you can contact Kay Brown, Clerk-Treasurer of Remington or Janet Jaros, Clerk-Treasurer of Noblesville, who are our education committee co-chairs. They would be happy to answer any questions you may have. We are excited to say that the League now has a Foundation that is set up for education scholarships to assist you in the cost of classes. Please do not hesitate to contact Linda Bajzatt, Scholarship Chair, to get the information to receive a scholarship.

The 74th annual conference will be held June 13th through the 17th, at the Indianapolis Marriott North. My conference co-chairs, Debbie Block and Jayne Deckard and I are making plans for the conference. We are thankful to have Lindsay Heinzman from IACT helping us with the details. She has proven how valuable she is in assisting us to have a successful conference. In case you have not noticed, I have not mentioned a theme for the conference. That is because I am looking to you to participate in "Name the 74th Annual Conference". By October 1st, submit a theme to me that goes with the idea of Indianapolis being the Racing Capital of the World. The winner will receive free registration to the conference. I have had some submit their entries already—so get your thinking caps on and get your entries in.

Speaking of conferences, wasn't this year's conference awesome? Larry Breese, his co-chairs Janet Jaros and Jeannine Myers, along with Lindsay Heinzman gave us a wonderful conference with some very special touches (Vera Bradley Totes). Thanks to all of you for a great time of education and fellowship.

Have you seen the new ILMCT website? If you haven't, check it out. You can access past Quest issues, a calendar of events, including the budget calendar, photos, links to other affiliate websites and other great areas of information. Thank you to Brian of London Witte for all his hard work and dedication to achieve such a great website.

Have you ever wished that you had a Clerk-Treasurer or Clerk close by so you could just call and have them help with something? Well, it just so happens that we have a Mentor program

in the League. You can contact Jan Unger, Clerk-Treasurer of Cicero or Rhonda Engle, Clerk Treasurer of Orland, and they will get you connected with a Mentor. I WANT TO REMIND YOU TO ATTEND the District meetings held in October. This is another opportunity for you to receive very important information for you as a clerk-treasurer or clerk. State Board of Accounts will be there to share any new legislation that may affect you. The day prior to the district meeting will be an education class to attend. The education committee takes a lot of time and effort to provide pertinent classes for your job.

A big thank you to all who offered to serve the league in some capacity. It takes all of us together to make this league the success it is. There is a list of committees in this Quest. If you are presently serving on a committee and would rather step away from that committee, please contact me. If you are not on a committee and would like to serve on one, please let me know what your interest is and we will get you on that committee.

Again, thank you for the opportunity to serve as your President. I am looking forward to the next year working with the other officers, Dave Shafer, Vice-president, Kay Brown, Secretary and Karen Chasteen, Treasurer, who are all excellent leaders and dedicated members of the League.

"There is only one way to succeed in anything, and that is to give it everything."

IIMC ANNUAL CONFERENCE IN CHICAGO

In May, approximately 40 people representing the State of Indiana, attended the annual IIMC conference held in Chicago Illinois. The conference started off with a phenomenal opening session and continued from there. We had excellent classes and rejuvenating General Sessions. The off site event was held at Navy Pier. Great food, breathtaking views of the Chicago skyline and a great performance by Lieutenant Dan's Band. Illinois did not stop there. Fireworks over Lake Michigan finished the evening. Additional classes were held on Saturday, finishing the evening with the annual Banquet. We commend our Illinois Colleagues for a fantastic conference!

THANKS FOR A GREAT YEAR

Thank you everyone for your leadership and dedication to the league this year! With your help, it helped make my tenure as league president most enjoyable. I truly believe that we have accomplished many positive initiatives which will secure our organization moving in the right direction for years to come.

In reflecting over this past year, I can't help but give thanks to Sue Beadle for hosting the ILMCT breakfast during the IACT conference. Janice Malinowski and Jayne Deckard, serving as District Directors and taking on the responsibility of hosting the Northern and Southern Fall District Meetings in Middlebury and Nashville, as both were well attended and a good time had by all that attended. I would also be remiss if I did not give a very special thanks to Janet Jaros and Jeannine Myers for co-chairing the annual conference held in French Lick. Again, well attended and I believe from the responses received that everyone had a great time. As the year unfolded we encountered our ups and downs. I would like to take this opportunity to thank the legislative co-chairs, Diana Cordray and Amy Roberts for all of their help and to everyone that made special trips to Indianapolis to testify before committees in regards to Clerks and Treasurers remaining elected, rather than appointed. Again, a great job by everyone. It goes to show that when we pull together we are a force to be reckoned with in Indiana.

Your upcoming Officers are an excellent team and they have the best interest of the league in their hearts and minds. I know that with all of our help, they too, will have successful years serving the League, and will also have fond memories of their years serving the League as well.

I encourage you all to become active in ILMCT by volunteering for a committee or even possibly serving in a leadership capacity. Our goal is to be a strong, vibrant, cooperative organization in local and statewide government. With your support these goals can, and will be accomplished.

I wish you all the best and look forward to serving the league as Immediate Past President this coming year. See you at the next function.

Larry

News from ILMCT

Education Co-chairs

Kay Brown and Janet Jaros

We have had such an exciting year so far and I can't believe it is already August. There were 40 plus colleagues that attended some or all of the IIMC annual conference in Chicago in May. We enjoyed many education opportunities during this week and had a great time. Kay and I attended the colloquium. Kay said it was the best one she has ever attended. It was full of enthusiasm as we went about the outline for the new improved education requirements for IIMC. There are changes coming and they are stressing to us that they will be meeting our needs for each individual state. They are currently working on the outline and what is needed to be done to change the requirements to fill all of our needs. It has been a frustrating time with IIMC as things keep changing. They are also saying they have to earn our trust with them and the education requirements.

Some of those changes right now are to temporarily suspend the four year deadline for recertification and six points per year minimum for MMC candidates. These will be revisited at the 2009 mid-year Board meeting.

A. Upon the CMC four year anniversary date, CMC recertification candidates unable to meet the minimum 20 points shall submit an application for admission, with the $50.00 fee and, if desired, points accrued thus far toward recertification.

B. Upon CMC anniversary date, all MMC candidates shall annually continue to submit points accrued, regardless of meeting the six year minimum.

There is a grace period. It is December 31, 2009, for those that have been working on their MMC before January 1, 2007. If you are in that category, you only have to obtain the remainder of points under the slightly changed guidelines after December 31, 2009. You do not have to start over. One of the concerns that Kay has, is that if you personally need assistance with your application or results of applications, we are no longer able to talk to them about your transcripts. They told us it is an ethics violation and they are not allowed to do this. We would like to continue to help each of you if you need it, but right now , we will not be allowed to do so. If you have any questions concerning any of this, please contact Emily Maggard, at Emily@iimc.com

At our 73rd Annual conference in French Lick in June, we honored several people that obtained their certifications:

IAMC: Amy Sund, Cedar Lake, Teresa Glenn, Greencastle and Nick Jarrett, Hagerstown

CMC: Kim Flynn, Lyons, Deb Zachelmeyer, Whitestown and Amy Sund, Cedar Lake

MMC: Michael Griffin, Highland, Karen Chasteen, Richmond, Deb Block, Mishawaka and Judy Rhodes, West Lafayette.

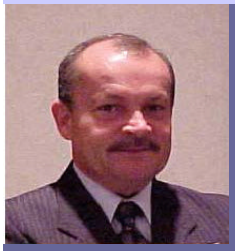
CONGRATULATIONS TO ALL OF YOU!

Your next opportunity for education will be the Fall District Meetings. We will be holding a full day of classes on Wednesday, October 14th, in Middlebury and again on Tuesday, October 27th, in Nashville. We are sill finalizing those classes and will be announcing them in the near future.

If you need any help with any of your applications or requirements, Kay and I are here to help.

Janet Jaros

CHARLIE'S CORNER



Question: My current official bond was written for my current term of office and is already for the maximum amount of $300,000. Do I need to do anything with my bond to comply with the changes made by PL176 this year.

Answer: Yes. Public Law 176, which amended IC 5-4-1-18, requires those persons required to file individual surety bonds to have annual coverage instead of for the persons term of office. This was effective July 1, 2009. We recommend that you obtain a rider on your current bond for the remainder of the current calendar year, to reflect the change to annual coverage and obtain an annual bond beginning January 1, 2010.

2009 ANNUAL CONFERNCE

The 2009 ILMCT Conference and State Board of Accounts School was held this year in beautiful French Lick, Indiana at the historical French Lick Resort.

After a long day of informative sessions, it was relaxing to kick back and enjoy time with friends.

Whether you spent your free time networking, relaxing on the porch, dancing or enjoying the spa, the French Lick Conference was truly enjoyed by all who attended.
