

Quest

August 2010

Dear Colleagues:

First and foremost, I want to extend congratulations to Laura Baker, ILMCT Immediate Past President, for leading us through a most successful year. She was courteous and charming when it was important to be gracious and she was firm and assertive when it was important to be resolute. Thank you, Laura, for a job well done.

During the coming year, the strength of our committees will enable the League to be the change agents and advocates for matters of importance throughout the state. Through our Mentor Committee, Education and Development Committee, and *Quest* Newsletter Committee, we will continue to improve our knowledge base and keep our members well informed. Through our Legislative Committee, we will seek support for initiatives essential for the economic vitality of our communities. And, we will vigorously oppose any initiative that subtracts from the checks and balances necessary in local government, or that proposes to eliminate the independence clerks and clerk-treasurers must have to operate in the best interests of the communities we serve. The remaining standing committees and any ad hoc committees to be formed will keep our organization strong internally. We know there are many outside our League who are content to operate in the same manner as they did five, ten, or twenty years ago. And there are those who wish to ignore the many changes unfolding in our state, nation, and world. We believe differently. In our roles as change agents and advocates, we are dedicated to the concept of “evolve or dissolve.” The composition of our League will change. The laws we obey will change. The practices we follow will change. We will embrace change and we will refuse to subordinate our efforts to the political whims of those who do not understand the importance of the roles we play.

Play? Did I say “play”? Yes, even as we pursue the serious goals we set for ourselves, we will make it a point to set aside time to refresh ourselves mentally by enjoying healthy fun with one another. The clerks, clerk-treasurers, controllers, and deputies, together with our sponsor friends, will be pleased to pursue these goals and it will be my high honor and privilege to help lead these efforts.

For electing me as your president for the ensuing year, I simply say “thank you.”

Dave Shafer
ILMCT President
2010-2011

"Education, Experience, Expertise - 75 Years of Making a Difference"

Words of Wisdom from departing ILMCT League President, Laura Baker

Hello Everyone! Thank you for allowing me to serve as your League President for the past year. I cannot believe my year has been completed. When I took the office as Treasurer four years ago, the Office of President seemed so far away. Now it has come and gone.

I have to say that being a League officer has been one of the best experiences in my life. The support and encouragement I received from everyone was humbling. You are a wonderful group and I wish everyone could experience what I have the past four years.

I hope you enjoyed the conference at the Indianapolis Marriott. Going home refreshed with information to help you be the best public servant you can be and ready to face whatever your day brings before you. I am so thankful for the education we received along with the networking. I hope you were able to enjoy those whom you have friendships with and possibly connected with a new friend.

I want to wish our new President, Dave Shafer, Clerk-Treasurer of Munster the best. He is already doing a great job representing the League.

I also hope you had a great summer taking time to enjoy family and friends,

Again, thank you for allowing me to serve as a League Officer for the past four years.

Remember, you are the heart of local government.

Meet ILMCT Treasurer, Teresa Glenn from Greencastle

Teresa Pierce Glenn is married to Denny Glenn and has been for nearly 23 years. Together they have 3 children; Michael, Jessica and Francie. Teresa is a member of Greencastle Christian Church and the Rotary Club of Greencastle. She is the 5th generation in her family to live and work in Putnam County. Her parents and grandfather were huge influences in her life. They taught her by example about becoming involved and serving your community. Her hobbies are scrapping, reading and cooking. Teresa enjoys entertaining family and friends. She was elected Clerk-Treasurer in 2004 and again in 2008. Teresa looks forward to serving the Indiana League of Municipal Clerks and Treasurers as Treasurer for 2010 -2011.

From the
Office of
**Richard E.
Mourdock**
State Treasurer

The primary mission of the Indiana Bond Bank (IBB) is to assist local government units (LGUs) in obtaining low-cost financing for their operations. The IBB has developed several programs tailored to your specific financing needs.

Through the Hoosier Equipment Lease Purchase (HELP) Program, LGUs can lease-purchase essential equipment and utilize tax-exempt interest rates. Since its beginning in 1989, the HELP program has assisted more than 200 communities in obtaining over \$190 million in equipment by offering competitive interest rates and a streamlined application process. Your LGU will not need to bid the financing if you use the IBB to lease-purchase your equipment. Your entity, however, will still need to follow current procurement laws. If you would like a HELP application or an interest rate quote to lease-purchase equipment, please contact Cindy Burres, IBB'S Office Manager and HELP Coordinator, at 800-535-6974.

The Advance Funding Program (AFP), which was developed to meet LGUs cash flow needs, allows your entity to borrow against property taxes, including any needs you may have for the first half of the 2011 calendar year. The IBB will pool your note with other entities, and in turn, provide lower interest rates to all participants. For example, the 2010 AFP's interest rate was 0.98%! If you are anticipating a cash flow deficit in the first half of 2011, please contact Ryan Dunn, IBB's Program Operations Coordinator, at 800-535-6974. The AFP's application will be available in late August and September of 2010.

The IBB offers these and other programs based on LGUs' financing needs. I encourage you to find out more about these programs on the IBB's website at www.in.gov/bond or by calling the IBB staff at 800-535-6974. I want to see you and your LGU be successful, and I truly believe that the IBB can assist with your efforts.

Sincerely,
Richard Mourdock
Indiana State Treasurer

Colleagues,

During the 74th Annual Conference last June, the Constitution and Bylaws Committee presented a number of proposed amendments to the ILMCT Constitution and Bylaws which would alter the method of selecting officers of the League. Two of the measures were thought to have passed by a counted vote, but it was later determined that the votes in the affirmative failed to achieve a 2/3 majority. There is no recourse but to consider the two initiatives during the 75th Annual Conference next June.

A recital of all the proposed amendments and an explanation of the outcome of each vote would require more space than is reasonably available in this newsletter. Therefore, for the benefit of those desiring to know the details, the report of the Constitution and Bylaws Committee and a statement of the votes will be posted at the League website, www.ilmct.org

I regret if undue alarm has been caused by this matter. I am confident that the issues will be resolved to the satisfaction of the majority during the next annual conference. Dave Shafer, ILMCT President

Education Notes from Janet Jaros

It is hard to believe we are already halfway through 2010. We have just finished having a very successful ILMCT Conference and State Board of Accounts School in June. Monday's education class had 168 registered participants. It was wonderful to award 19 IAMC certificates, 5 CMC certificates and 10 MMC certificates at the annual banquet. At this time, we currently have a total of 143 IAMCs, 52 CMCs, 21 MMCs and 9 CPFAs. Kay and I are so proud of all the new recipients. In March we had 140 participants for the Institute and Academy. There has been concern that people will not be able to attend due to budget shortfalls. The fact that the numbers have not dropped is a tribute to the wonderful dedicated people we have performing the duties they were elected or appointed to for this office.

About 13 of us went to Reno for the IIMC International Conference in May. IIMC has made some very positive changes to their requirements. There were many concerns in the past and they listened to our concerns. One of those changes is that you no longer have to re-certify the CMC certification. Those who did re-certify will be allowed 20 points towards the MMC certification. Those who had their CMC rescinded, due to not re-certifying, will be able to have your CMC reinstated. There is a form on the IIMC website that you can download, fill it out and send it back. If you have any questions concerning these changes, you can e-mail or call IIMC. As we move forward in these continuing tough times, I truly believe we need to educate ourselves, interact with each other often, ask questions and know there is always help available from this wonderful organization.

Q Our Town has an old piece of equipment that is not in working condition that is sitting in a field with weeds growing around it. An individual is interested in buying it, Can we just sell it to the individual?

A Assuming the piece of equipment has an estimated value of less than one thousand dollars (\$1,000), IC 5-22-22-6 provides that the Town may sell the property at public or private sale or transfer the property without advertising. Further, IC 5-2-22-8 states that if the property is worthless, it may be demolished and/or junked.

2010 IIMC ANNUAL CONFERENCE

13 people from Indiana attended the 2010 IIMC conference in May. There were excellent classes and fun off site events. The Reno/Lake Tahoe area was very picturesque. Who would have thought there would be snow the last part of May!

These are photos that were taken at the IIMC conference in Reno and in the Lake Tahoe area. A wise friend once told me, do not focus so much on the destination and take more time to enjoy the journey. The life in the office of Clerk-or Clerk-Treasurer can be hectic, take time to enjoy your journey in life, make time for you.
